Finding Forever Families for Children in Foster Care

OUR MISSION:

Dramatically increase the number of adoptions of children waiting in North America's foster care systems.

OUR WHY:

More than **30,000 children are waiting to be adopted from foster care** in Canada. Without our help, many of these children are at risk of aging out without a family.

OUR VISION:

Every child will have a permanent home and a loving family.

Wendy's Wonderful Kids[™]

Through the Wendy's Wonderful Kids (WWK) program, the Dave Thomas Foundation for Adoption-Canada provides funding to adoption agencies to support the hiring of recruiters who implement an evidence-based, child-focused recruitment model. According to a five-year evaluation in the United States, the model is **up to three times more effective** at finding adoptive homes for children who have been lingering in foster care the longest.
