TO THE FOUNDATION'S SUPPORTERS AT ALL LEVELS

Because of your continued generosity, the Dave Thomas Foundation for Adoption has helped find adoptive homes for nearly 9,000 children across the United States. Together, we will make a lifetime of impact for children still waiting in foster care who need our help the most.

Mission

Dramatically increase the number of adoptions of children waiting in North America's foster care systems.

We Believe

Every child deserves a safe, loving and permanent family.

No child should linger in foster care or leave the system at age 18 or 21 without a permanent family of their own.

Every child is adoptable.

“

You don't have to have the same blood to be family. That's adoption.

”
